

Cup & Ball Game

Required Materials:

- (1) Clean Snack Pals cup container
- (1) 12-inch piece of string or yarn
- (1) Large wooden bead
- Strong Glue
- Scissors
- Decorations

Step 1: Ask an adult to pierce the center of the bottom of a Snack Pals cup using the scissors. Then, decorate the outside of your container in a way that makes you happy!

Step 2: Tie one end of your string tightly around the bead.

Step 3: Thread the other end of the string through the hole in the cup, tie a knot, and glue it into place.

Step 4: Once the glue dries, you're ready to play! The object of the game is to gently swing the ball up and catch it in the cup.
