

snackpals®

Fairy House

Required Materials:

- (1) Clean Snack Pals cup container
- Natural items found outside (i.e., small pebbles, sticks or leaves, dandelions, shells, sea glass, etc.)
- Decorations

Step 1: Take a Snack Pals cup container, and draw a doorway large enough to see through, about 1/3 to 1/2 the container.

Step 2: Then, decorate the space outside the door shape in the color and design that makes you happy! Once that is complete, flip the cup upside-down and decorate with the items you collected outside.

Step 3: Make as many as you like to create a whole fairy village.

Don't forget to submit a photo of your masterpiece to the art gallery at hannafordsnackpals.com!
